ALLIANSLOPPET ÄR EN DEL AV SMART ENERGY CUP RULLSKIDOR!

Klubbarna har varit bra på att fylla i under vintern 😊

Sämre på sommaren 😞

Orsak → få ledare på plats.

Någon aktiv får ta ansvaret under Alliansloppet

Eloge till Simon Andersson och Erik Silfver som fyller i för deras klubbar! 😊

En aktiv eller ledare per klubb fyller i detta formulär efter tävlingarna har genomförts

Gäller elitaktiva som har en aktiv FIS-kod

Otroligt viktigt för SEC framtid!

NEW ICR 2022

Pole-tips

SSF wants to make all participants aware that new rules regarding pole tips will come into force during the summer.

Pole-tips must be designed as follows:

"396.2.6 Cross-Country ski poles must be used with Cross-Country skiing tips must be used. Alternatively poles tips must have safety rigid plastic protections with diameter ≥ 30 mm. These protections must be placed maximum 45 mm above the metallic tips. The rule will be implemented from 01st July 2022."

As these pole tips can currently be difficult to buy, SSF has decided that at competitions arranged in Sweden during the summer of 2022, only check and test measure tips. Athletes who participate in these competitions will not be banned from starting due to incorrect tips.

However, SSF's strong request is that all participants in this summer's competitions try to use correct and approved pole tips. During the summer of 2023, the regulations will apply in full and athletes with incorrect tips will not be allowed to start.
