- Results on computer in tent (at finish and Athlets tent at start)
- New BIBs and timing chips are picked up before quarter finals
- Eliminated athletes during the finals leave the timing chips and skis at pick up location (close to athletes tent at start)

# BACK TO ATHLETE ZONE

Return to the Athlete zone via minibuses as shuttles (to Alberts hotel and then a short walk down the stairs).

It is possible to go with roller skis but the roads are open to public and traffic.

Athlete who are qualified for the next final shall return with priority to the start via the Athlete zone

Special focus between the semifinals and finals, since the time between them is relatively short!

# SAFETY INFORMATION

We prioritize sportsmanship and you are a vital part of it! We together choose and act in accordance with a high level of sportsmanship.

Use approved helmet and protective glasses, if rain glasses are voluntary.

Follow Alliansloppet official's directives.

The arena is closed for vehicles but in case of emergency blue-light might need to come through.

# NEW ICR 2022

## Pole-tips

SSF wants to make all participants aware that new rules regarding pole tips will come into force during the summer.

Pole-tips must be designed as follows:

**"396.2.6 Cross-Country ski poles must be used with Cross-Country skiing tips must be used. Alternatively poles tips must have safety rigid plastic protections with diameter  $\geq 30$  mm. These protections must be placed maximum 45 mm above the metallic tips. The rule will be implemented from 01st July 2022."**

As these pole tips can currently be difficult to buy, SSF has decided that at competitions arranged in Sweden during the summer of 2022, only check and test measure tips. Athletes who participate in these competitions will not be banned from starting due to incorrect tips.

*However, SSF's strong request is that all participants in this summer's competitions try to use correct and approved pole tips. During the summer of 2023, the regulations will apply in full and athletes with incorrect tips will not be allowed to start.*

# ALLIANSLOPPET ÄR EN DEL AV SMART ENERGY CUP RULLSKIDOR!

Klubbarna har varit bra på att fylla i under vintern 😊

Sämre på sommaren 😞

Orsak → få ledare på plats.

Någon aktiv får ta ansvaret under Alliansloppet

Eloge till Simon Andersson och Erik Silfver som fyller i för deras klubbar! 😊

En aktiv eller ledare per klubb fyller i detta formulär efter tävlingarna har genomförts

Gäller elitaktiva som har en aktiv FIS-kod

Otroligt viktigt för SEC framtid!
